About IDD Council of Tarrant County

We are the IDD Council, a nonprofit to transform the region into an inclusive community where people with intellectual and developmental disabilities (IDD) thrive. With our family and agency members, we host monthly meetings, webinars, lead educational opportunities, host community resource fairs and speak at community events. Check www.IDDCouncil.org for upcoming activities and events. Join us!

About IDD

IDD is used to describe any life-long disability attributable to mental and/or physical impairments that are diagnosed before the age of 18 (intellectual disabilities) or age 22 (developmental disabilities). IDD affect daily functioning in two or more of the following areas: capacity for independent living, economic self-sufficiency, learning, mobility, receptive and expressive language, self-care and self-direction. IDD includes such diagnoses as Autism Spectrum Disorder, Cerebral Palsy and Down Syndrome. Individuals can have symptoms that range from mild to severe.
