

# What You Should Know Before Picking Your Health Plan

## Have you compared the health plans in your area?

The Compare Extra Services charts included in your packet list the value-added services provided by each plan.

## Will I still get Medicare?

Picking a health plan doesn't change your Medicare benefits. You will keep using Medicare for basic medical services and medicines ordered by your provider.

## Tell us which health plan you picked in one of these ways:

Go to **YourTexasBenefits.com**. Log in and select "Medicaid and CHIP Services" under quick links. Then choose "Pick Your Health Plan."

Fill out the Enrollment Form in your packet and **mail it back** (a prepaid envelope is included) or fax it to **855-671-6038**.

Call **800-964-2777** from 8 a.m. to 6 p.m. Central time, Monday through Friday. If you have a speech or hearing disability, call **7-1-1** or **800-735-2989**.

Visit **txmedicaidevents.com** to find out where you can get help in person.
